Faces and Voices of Recovery (FAVOR) Pee Dee, incorporated in July 2006, is a charter chapter of FAVOR SC and is part of a national campaign of grass roots advocates who work to remove barriers to recovery from alcohol and other drug addiction by: ●reducing stigma and discrimination●promoting laws and social policies that reduce alcohol and other drug problems and support recovery●educating the public and health care professionals●and providing living role models that illustrate the power and proof of recovery. Recovery is a reality in the lives of millions of individuals, family members, friends and allies. Recovery gives back what addiction has taken.
